to your ClickBank account and make important settings changes.

8. At the login page enter your account nickname and password. To change your password and payment threshold, go to Account Settings.

9. To change your payment threshold (the limit for when you want clickbank to issue your payment) go to Payment Information and click Edit.

10. Scroll down and choose your payment threshold. Example: If you select \$25 for your threshold, it means that ClickBank is going to send you a check every time your recommendations have resulted in at least \$25 in commissions.

Now you have set up your affiliate account with clickbank to promote products and start earning commission!

How Do You Get Your Commissions?

You need a personal commission link. This link will have your **affiliate ID (XXXXXX)** in it. Place these links on your site to promote the Bowen Technique For Asthma. Whenever anybody clicks on these links, they will be directed to the sales page. If any of these customers buy the product, you will receive commission. Your commission will be calculated as 70% of the product retail price and will be processed and sent to you by Clickbank.

You can get your affiliate links directly through Clickbank from the Marketplace. This method avoids any typo errors as the links are generated for you and is highly recommended.

1. Go To Marketplace
2. Find product by searching for instant natural colic relief.
3. Click on promote button
4. Enter affiliate ID, you do not need to enter a TID-this is used for tracking purposes.
5. Two links are created for you.
6. First link is not a text link with your affiliate ID.
7. Second link allows you to create a text link with your affiliate ID.

Example Text link:

```
<a href="http://xxxxxx.bowforasthma.clickbank.net">Asthma Relief!</a>
```

Text appears as Asthma Relief

Use these links in your site to promote The Bowen Technique For Asthma.

To check your commissions, login to clickbank. The Account Home will show your commissions by week.. The “Account Home” window will open and show the commissions you have earned.

Important! Always remember to LOGOUT using the link in the upper right hand corner after your session.

To monitor your sales and statistics, e.g. how many visitors are clicking on the links etc, go to Account Settings. Click on Analytics. This will show the up to date statistics for your account.

I hope this guide has helped you to get started!
